We use our 5 senses to learn about the World around us.

Good morning Group 303!
Today is Tuesday. We have a short week because we had a long weekend. Draw a picture or write 2 words below about something you did over the long weekend.

The whiteboard features several hand-drawn illustrations and handwritten text. On the left, a car is drawn with the text "Visited brother" written below it. In the center, there is a large, colorful drawing of a person with a red body and a blue head, with the name "STEPHON" written below. To the right, there is a drawing of a person with the text "Bouncy House" written next to it. Below that, there is a drawing of a person with the text "COLUMBIA TEAM" written inside a circle. At the bottom, there are drawings of a person and the text "BANKIETS", "IZIPLINE", and "HOLT".

Apples Up On Top

Up in the treetop, way up high.
Three **red** apples for my pie.
How will I get them to the
ground?

I'll shake that tree 'til
they come down.

Shake, shake, shake,
watch them fall!

Shake, shake, shake!
I'll catch them all!

Oh, into my basket
One, two, three!
No more apples in the tree.

String decoration

A decorative graphic on the left side of the slide features three balloons: a light green one at the top, a light blue one in the middle, and a light purple one at the bottom. Each balloon is attached to a thin, wavy streamer that extends downwards. Small, yellow, triangular shapes are scattered around the balloons, resembling confetti or streamer tassels.
