

臺北縣九十九學年度與
英國文化協會合作辦理國小英語教師專業培訓成果彙編

Designer: Daphne, Huang 黃品菁 / 大崙國小

Name of Activity: Know Your Teacher –important numbers

Target learners: 6th grader

Time required: 40 minutes

Aims

Students will learn the background of the teacher in the first class.
Students will able to ask teacher questions such as “How old are you?” or “How many people are there in your family?”
Students will able to write down some important things mentioned by teacher in the worksheet.

Materials required & pre-lesson preparation

Worksheet

In class procedure

Warm up:

1. Greet the students.
2. Mention class rules to students.
3. Give students the worksheets and guide students how to finish the worksheet.

Presentation:

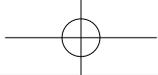

1. Ask students to draw their first image of the teacher in the worksheet.
2. When students finish their drawings, teacher says some numbers, such as 1, 2, 4, 8...” and ask students to guess the meaning of the number.

Practice:

1. Student can ask teacher “How old are you?”, “Where do you live?”, or “What do you like?” to finish the worksheet.

Follow up

When students finish the worksheet, they can read aloud the paragraph.
Students can use English to introduce their English teacher, and they can apply these paragraphs to introduce themselves to teacher as well.

Class: _____ Name: _____ Number: _____

1. Draw your English Teacher
