Designer:　Merrill Wang　/　Sanchong Elementary School

Name of Activity: Find Someone Who…

Target learners: 5th Graders

Time required: 40 minutes

Aims

As a warm-up for students to get to know each other
Review the vocabulary and sentence patterns students learned before

Materials required & pre-lesson preparation

Bingo worksheet
Blank paper, markers
Letter cards

In class procedure

● Each student gets a piece of paper to write down his/her English name
● Each student introduces himself/herself to his/her partner.
● Each student writes down three things about himself/herself, e.g. blue, hamburger, 5.　In a pair, student finds out what the three things of his/her partner are.
● Set a time limit of 3 minutes, students go around and find out what the other students' three things are.
● Teacher shows the letter card, students whose names start with that letter stand up and say their names.
● Teacher distributes Bingo worksheet. Teacher elicits the answers of each question from the students. For example, can you play baseball? Do you like fish?
● Teacher explains the rules in four simple steps.
A. Teacher asks questions B. Students whose answer to the question is yes write down their names C. Students draw a line D. Students who get two lines shout "Bingo"

Follow up

Each student makes five sentences from the Bingo worksheet.
For example, Mindy can play baseball.　Roger has two sisters.

Find Someone Who?
