

Designer: Kathy Liao 廖詠潔 / 瑞柑國小

Name of Activity: I spy

Target learners: 5th graders

Time required: 40mins

Aims

1. Students can say the name of objects in the classroom.
2. Students can use the sentence pattern to ask and answer the question.

* I spy my little eye something beginning with _____ (only have initial letter)

Materials required & pre-lesson preparation

1. New words: blackboard, marker, crayon, notebook, projector, locker.
2. Make the word cards and picture cards

In class procedure

1. Teacher teaches the new words by using phonics.
2. Teacher uses a matching game. Ask students come to the blackboard and match the word cards and picture cards.
3. Teacher needs to make sure that everyone can say the new words.
4. Teacher teaches the sentence :
I spy my little eye something beginning with _____ (only have initial letter)
i.e. I spy my little eye something beginning with letter "l". Students must answer "locker".
5. Divide students into pairs and ask them to practice.

Follow up

Teacher can ask students what they see in the classroom and write items down on the blackboard. Teacher can review these words by using this target sentence pattern.
I spy my little eye something beginning with _____ (only have initial letter) .
Moreover, teacher can give them some pictures. Ask student what they see and use this sentence to ask and answer.
