You can not only reminisce about the traditional rural life, but also make Hakka Seasonal Rice Snacks.

- **Beipu Old Street**

Beipu Old Street is a famous street in Taiwan. During the Qing Dynasty, it was the busiest commercial center of Beipu. It was called Shangjie and Xiajie, and the street houses on both sides were official arch buildings. Nowadays, many stores have been re-constructed, but there are still 3 or 4 old buildings at the junction of the temple, although the old street is not long, the historical story within 100 meters can really get people interested.

The historical monuments left here are like the first-class monument ChinKuangFu, Jian's Family Tianshuitang, Jiang Axin Residence, and the three-class monument Citian Temple, which make you impressive.
