

Your Task

1. Discuss with your co-teacher and decide on a topic appropriate for your target learners' grade level.
2. Choose some key words related to the topic and give each word definitions or descriptions.
For example: The stems carry the water.

3. Cut out the sentences.
For example:

The stems carry the water.

4. You are about to explain this activity "*Finish the Sentence*" to your students:

- (1) Give the set of the cards to the students.
- (2) Students work in pairs.
- (3) Tell students that they have to match the words and the definitions or descriptions.
- (4) Check with the whole class and pick up on the ideas which link to the content and language aims.

5. Apply the "Team Teaching" model while giving instructions. Both teachers should share teaching responsibilities.
6. Practice co-teaching and rehearse before you go onto the stage.
