

Your Task

1. Discuss with your co-teacher and decide on a topic appropriate for your target learners' grade level.
2. Choose some words related to this topic.
3. Use the chosen words to make flash cards with both word and picture on it.
4. You are about to explain this activity "Taboo" to your students:

- (1) Divide the students into groups of 4.
- (2) Each group decides the answering order to the questions within their teams.
- (3) The guessers have to stand in front of their team and back to the board.
- (4) The teacher will show a flash card on the board.
- (5) Each team take turns to describe the word they see on the board without saying the "taboo (target)" word.
- (6) The guessers then write down the word on a mini-whiteboard and wait for the teachers to check their answer.
- (7) Each time the guesser answer correctly scores a point.
- (8) The team with the most points wins.

5. Apply the "Team Teaching" model while giving instructions. Both teachers should share teaching responsibilities.
6. Practice co-teaching and rehearse before you go onto the stage.
