

Your Task

1. Read the storybook "*It's a Book*" with your co-teacher. Make sure you know the story very well.
2. You're about to tell the story to your students. Discuss with your co-teacher about the target learner's grade level and how to use verbal and non-verbal skills to get your students understand the story.
3. Apply the "Team Teaching" model while giving instructions. Both teachers should share teaching responsibilities.
4. Practice co-teaching, and rehearse before you go onto the stage.
